Sir:

In reply to the Final Action dated January 17, 2007, enclosed herewith is a Supplemental Declaration, signed by Peter A. Altman as the applicant.

REMARKS

Claims 27-31, 33-44, 46-75, 78, 79, 81-83, and 85-94 have been rejected under 35 U.S.C. §251 as allegedly based upon a defective reissue oath or declaration.

The accompanying Supplemental Declaration refers to the November 2005 Amendment, the most recent amendment of the present application. Accordingly, the declaration covers those errors which have been corrected in the present reissue application and not covered by any prior oath or declaration. The declaration refers to the duty to disclose information "material to patentability." It is submitted that the aforementioned claims now fully comply with 35 U.S.C. §251.
